Traducción aproximada:

*Profundamente penetra en mi corazón la tristeza (blues) y casi me hace llorar cada tarde, cuando el sol se pone.
 Los amigos que solía tratar no me dicen ni un saludo y me abandonan llorando en mi ventana.
 Estoy melancólico y tan triste y "blue" como se puede estar.
 ¿Cómo puedo estar alegre, si nadie se preocupa por mí?
 Como las flores necesitan el sol y desean el rocío cuando acaba el día, así necesito a alguien para contarle mis problemas.
 Precisamente porque nadie parece quererme es por lo que tengo melancolía "blue".*
